

SYSTEMATIZED SUBJECT INDEX

Acari

- Chelicerate arterial system and endosternite—Firstman, 1:1-54
 Circulatory system of ticks—Obenchain and Oliver, 3:57-74

Amblypygida

- Chelicerate arterial system and endosternite—Firstman, 1:1-54

Araneae

- Chelicerate arterial system and endosternite—Firstman, 1:1-54
 New *Philodromus* from Arizona—Buckle, 1:142-143
 Egg cocoon of *Linyphia marginata*—Wise, 1:143-144
 Spider family Leptonetidae in North America—Gertsch, 1:145-203
 Spiders of Nacogdoches, Texas—Brown, 1:229-240
 Effects of d-amphetamine and diazepam on spider webs—Jackson, 2:37-41
 Names of higher taxa in spiders—Kaston, 2:47-51
 Rearing methods for spiders—Jackson, 2:53-56
 Feeding on eggs by *Achaearanea tepidariorum*—Valerio, 2:57-63
 Northern and southern *Phidippus audax*—Taylor and Peck, 2:89-99
 Dispersal of jumping spiders—Horner, 2:101-105
 Stabilimenta and barrier webs of *Argiope argentata*—Lubin, 2:119-126
 Genus *Ozyptila* in North America—Dondale and Redner, 2:129-181
 Revision of *Coriarachne* for North America—Bowling and Sauer, 2:183-193
 Key and checklist of Theridiidae—Levi and Randolph, 3:31-51
 Comments on *Saltonia incerta*—Roth and Brown, 3:53-56
 Web-site tenacity of *Argiope*—Enders, 3:75-82
 Ecology of *Cyclocosmia truncata*—Hunt, 3:83-86
 Spiders and scorpions from Arizona and Utah—Allred and Gertsch, 3:87-99
 Pitfall trapping of wandering spiders—Uetz and Unzicker, 3:101-111
 Male of *Gnaphosa sonora*—Platnick, 3:134-135
 Los géneros *Cyllodania* y *Arachnomura*—Galiano, 3:137-150
 Population structure in *Achaearanea tepidariorum*—Valerio, 3:185-190
 New genus of Gnaphosinae—Platnick and Shadab, 3:191-194
 Falkland island spiders—Platnick, 3:195-198
 The spider genus *Paratheuma*—Platnick, 3:199-201
 Notes on Chilean Palpimanidae—Platnick, 3:203-205
 Chemoreception in *Araneus diadematus*—Holden, 3:207-210
 Supplement to the spiders of Connecticut—Kaston, 4:1-72
 Life histories and distribution patterns of hunting spiders—Dondale, 4:73-93
 Spider web-building in outer space—Witt, *et al.*, 4:115-124
 Social behavior of *Nephila clavipes*—Farr, 4:137-144
 Webs of newly emerged *Uloborus*—Eberhard, 4:201-206
 New species of *Anyphaena celer* group—Platnick, 4:207-210
 Water sprayer in spider density determinations—Tolbert, 4:211-214
 Stabilimenta on webs of *Cyclosa turbinata*—Rovner, 4:215-216
Pirata of North America, Central America and West Indies—Wallace and Exline, 5:1-112
 Molting sequence in *Aphonopelma chalcodes*—Minch, 5:133-137
 The cribellate genus *Tengella*—Wolff, 5:139-144
 Prey of *Phidippus johnsoni*—Jackson, 5:145-149
 Two new species of *Lygromma*—Platnick, 5:151-152
 Aerial dispersion of spiders—Salmon and Horner, 5:153-157
 A new *Otiotrops* from Colombia—Platnick, 5:179-180
 A new *Scopodes* from California—Platnick, 5:180-182
 A new *Microsa* from the Bahama Islands—Platnick, 5:182-183
 Comments on lizard-eating *Argiope*—Cokendolpher, 5:184
 Salticid mating tactics—Jackson, 5:185-230

Opilionida

- Chelicerate arterial system and endosternite—Firstman, 1:1-54
 Troglolithic harvestmen in lava tubes—Briggs, 1:205-214
 The opilionid family Caddidae—Shear, 2:65-88
 Two phalangids introduced to North America—Bragg and Holmberg, 2:127
 Opilionid genera *Sabacon* and *Tomicomerus*—Shear, 3:5-20
Politum group of *Leiobunum*—McGhee, 3:151-163
 The cyphophthalmid genus *Neogovea*—Shear, 3:165-175
 First triaenonychid from eastern North America—Shear, 3:177-183
 Use of measurements in *Leiobunum* taxonomy—McGhee, 5:169-178

Palpigradi

- Chelicerate arterial system and endosternite—Firstman, 1:1-54
 The arachnid order Palpigradi—Savory, 2:43-45

Pseudoscorpionida

- Chelicerate arterial system and endosternite—Firstman, 1:1-54
 A new cavernicolous *Mundochthonius*—Benedict and Malcolm, 2:1-4
 The genera *Hesperocheirus* and *Dinocheirus*—Muchmore, 2:25-36
 New genus of chthoniid pseudoscorpion from Mexico—Muchmore, 3:1-4
 Some garypoid pseudoscorpions from western U.S.—Benedict and Malcolm, 5:113-132
Apocheiridium species from western North America—Benedict, 5:231-241

Ricinuleida

- Chelicerate arterial system and endosternite—Firstman, 1:1-54
 Un nuevo ricinulideo para México—Márquez and Elorduy, 1:73-84
 The African genus *Ricinoidea*—Tuxen, 1:85-106

Schizomida

- Chelicerate arterial system and endosternite—Firstman, 1:1-54

Scorpionida

- Chelicerate arterial system and endosternite—Firstman, 1:1-54
 Revision of higher categories of Vaejovidae—Stahnke, 1:107-141
 Male of *Bothriurus (A.) peruvianus*—Francke, 1:215-220
 Birth and post-birth behavior of *Syntropis macrura*—Hjelle, 1:221-227
 Adaptational biology of desert scorpions—Hadley, 2:11-23
 New *Diplocentrus* from New Mexico and Arizona—Francke, 2:107-118
 Diel scorpion activity—Crawford and Krehoff, 2:195-204
 Spiders and scorpions from Arizona and Utah—Allred and Gertsch, 3:87-99
 Taxonomy of *Hadrurus* based on trichobothria—Soleglad, 3:113-134
 Taxonomic observations on *Heteronebo*—Francke, 4:95-113
 Two emendations to Stahnke's Vaejovidae revision—Francke, 4:125-135
Diplocentrus scorpions from Oaxaca—Francke, 4:145-200
 A new species of *Typhlochactas*—Mitchell and Peck, 5:159-168
 Burrowing biology of *Cheloctonus jonesii*—Harington, 5:243-249

Solifugae

- Chelicerate arterial system and endosternite—Firstman, 1:1-54
 Maturity and reproductive isolation of solpugids—Muma, 2:5-10

Uropygida

- Chelicerate arterial system and endosternite—Firstman, 1:1-54
 Systematics of the Uropygida—Rowland and Cooke, 1:55-71
